

# CERTIFIED IN LOGISTICS, TRANSPORTATION AND DISTRIBUTION (CLTD)

## Introduction

The APICS CLTD Learning System is a comprehensive professional development and exam preparation program. It consists of nine reading modules and interactive, web-based study tools. This program provides a comprehensive body of knowledge and standards for those in the logistics, transportation, and distribution industries.

## About the programme

The APICS CLTD Learning system delivers the most effective CLTD certification exam preparation. It is divided into eight modules across four books that reflect the entire APICS CLTD Exam Content Manual (ECM), utilising the source bibliography references identified in the ECM as well as other current logistics reference materials.

## Why seek APICS CLTD certification?

Earning the CLTD credential makes you a recognized expert in the logistics, transportation and distribution fields. Certification demonstrates in-depth knowledge of a broad range of topics to set you apart from your colleagues, proving your high level of knowledge and skills. The CLTD will make you a more valuable asset to your organization, keeping you and your organization more competitive in today's global economy.

## Learning options

### Self-Study

- Prepare from home, work, or while traveling
- Study wherever you go with mobile access and e-reader capability
- Create your own study plan and focus on the specific topics you need to master
- Save time and money on travel to training venues

### Instructor Led

- Led by experienced and certified instructors
- Structured classroom environment ensures that you will stay on track with your studies
- Peer discussions help reinforce learning materials

### Tutoring

- Guided by experienced and certified instructors
- Structured weekly sessions ensure that you will stay on track with your studies
- Saves time on travel to training venues

## Entry Requirements

CLTD approved candidates must meet ONE of the following eligibility requirements:

- 3 years of related business experience OR
- Bachelor's degree or international equivalent\* OR
- Hold an active CPIM, CPIM-F, CIRM, SCOR-P, CPM, CSM, CPSM, CTL, or CSCP credential

## Choose the learning option that suits you

The APICS CLTD Learning System is the foundation for all preparation options

## Schedule your exam

Purchase your exam credit through SAPICS or directly from APICS. Schedule your exam appointment within the six-month window that your Authorization to Test (ATT) is valid. The CLTD exam is a computer based exam available globally through Pearson VUE. Visit Pearson VUE at [pearsonvue.com/apics](http://pearsonvue.com/apics) to find the exam location nearest you.
