

SUPPLY CHAIN PROCUREMENT CERTIFICATE

Introduction

The Supply Chain Procurement Certificate program is a foundational education program designed to help both entry-level and experienced supply chain professionals expand their procurement knowledge and skills. The program provides an overview of procurement fundamentals, sourcing strategies, supplier relationship management, negotiations, evaluation metrics, and more.

What is covered in the course?

- Develop a strategic sourcing strategy
- Establish effective procurement policies
- Effectively score supplier capabilities and select optimal suppliers
- Engage in more effective contract management negotiations
- Trace the purchase order flow from requirements identification to purchase order close-out
- Review supplier and internal procurement organization performance using data and metrics
- Engage in sustainable and ethical sourcing

How it works

- Self-paced online program
- Estimated 20 hours of education
- Flashcards, video clips and practice questions to help cultivate a stronger understanding of each topic
- A comprehensive final exam
 - Included with courseware
 - Computer-based, multiple choice
 - Exam developed only on what is taught within the courseware material
 - Must pass one (1) exam with 70% or better to earn certificate, unlimited retakes

After passing the exam, receive a certificate and digital badge that you can display on your LinkedIn profile and within your email signature. Additionally, earn 20 certification maintenance points upon program completion.
